Dear Bro Lodge Charity Steward,

Re: District Grand Master's Charity Fund

When I think of *stewardship*, there are three main categories that help me to understand how I can act as a good steward:

1. **Treasure** – We must share our financial success with those who have less than we do.
2. **Talent** – A good steward shares his or her talents in order to benefit others.
3. **Time** – Our time is one of our most valuable possessions. A good steward dedicates some of his spare time in order to do good.

By giving of our treasure, talent, and time, we are good stewards of what we are so fortunate to have received. Whether you believe you received them from a higher power or more basic human circumstance, you are a unique individual with your own special set of skills and talents that can be used to help others.

Brother Charity Steward, at this, the start of a new era under the auspices of a new District Charity Steward, I believe that we have had life too easy in the past and have not used our **Treasure, Talent and Time** to its greatest advantage, I will therefore be approaching you with a view to boosting the District Grand Master's Fund.

I look forward to a fruitful couple of years and with your help, we can prove that our District can, and will prove to be the finest Provence/District in Mark Masonry.

I remain your friend and Brother
